## BROOKS REWARDS PROGRAM

For over 70 years, everything we do at Brooks has been aimed at giving you a greater level of products, services, and value. To show our gratitude for your loyalty, we created our Brooks Rewards Program—giving you greater access to all we provide.

### REWARDS MEMBERS GET:

**Free Comprehensive Account Overview:** Save time. Save Money. And operate more efficiently by letting Brooks show you how bundling your products and services can work in your favor.

**Monthly Rewards Member-Only Product Promotions:** A great way members can take advantage of extra savings on genuine Brooks products.

**Monthly “Rewards Technician Series” Issue/Article/Chapter:** Let Brooks help you create better outcomes for you, and your customers, by keeping you up-to-date with invaluable information you can’t afford to miss. This monthly publication has everything from code updates and educational information to technical “how-to” directions and tips.

**Free Brooks Compliance Guide (Digital Format or Hard Copy):** Another way Brooks is helping you be your best. Available as a mobile ready website or pocket-sized booklet, this handy cheat sheet is in an easy way to reference the most common NFPA standards and OSHA Regulations at a moments notice.

**Free Personalized Product Flyers:** Increase your potential for revenue, and impress your customers, by private labeling any flyer in our library. And we will continue to expand that library throughout 2013.

**Unlimited “Find-It” Access:** When you need something, there’s no need to go anywhere else. Representatives at our “Find-It” access line will do our best to help you locate anything you can’t find at Brooks and deliver it as quickly as possible.

### Members also get:

- First Release Privileges
- Copy of E-Hot Topics to registered technicians
- Discounts on First Choice Catalogs
